What will happen next?

Paradise Memorial Funeral and Cremation Services will send a care professional to your loved one's location as soon as we are notified. In most cases it takes less than an hour for us to arrive at any location in the Greater Milwaukee area. Your loved one is then transferred directly into our care center located at 7625 W Appleton Ave., Milwaukee, WI 53222.

Your loved one never leaves our care.

A staff member will be dedicated to assisting you and your family and will contact you to set a mutually agreed upon time of your choosing. From there, we will then take care of filing all necessary paperwork with the State of Wisconsin, assist you in making arrangements associated with a service, etc.

We are here to help.
